### Originaldokument

The image shows a page from an original document, likely a ledger or account book. It features a table with multiple columns and rows, detailing financial transactions. The text is in German and appears to be a report on income and expenses. The table has several columns, with the first column likely listing the date or description of the transaction, and subsequent columns for amounts. The text is somewhat faded and difficult to read in detail, but the structure is clearly that of a financial record.
